JACLYN SMITH

For nearly four decades Jaclyn Smith has held the public's interest as an award winning actress, a designer and a role model. She loves her family, her home, gardening, Tchaikovsky, baseball, "Gone with the Wind", her mother's cooking – and her dogs. She manages her life and legendary career with grace and style. According market

research, Jaclyn ranks in the top quartile of celebrity personas, on level with Ralph Lauren and Walt Disney. Jaclyn scores equally high with both men and women, has essentially no negatives, and is known not only for beauty, elegance and class, but is trustworthy and someone people aspire to be.
