

Limares

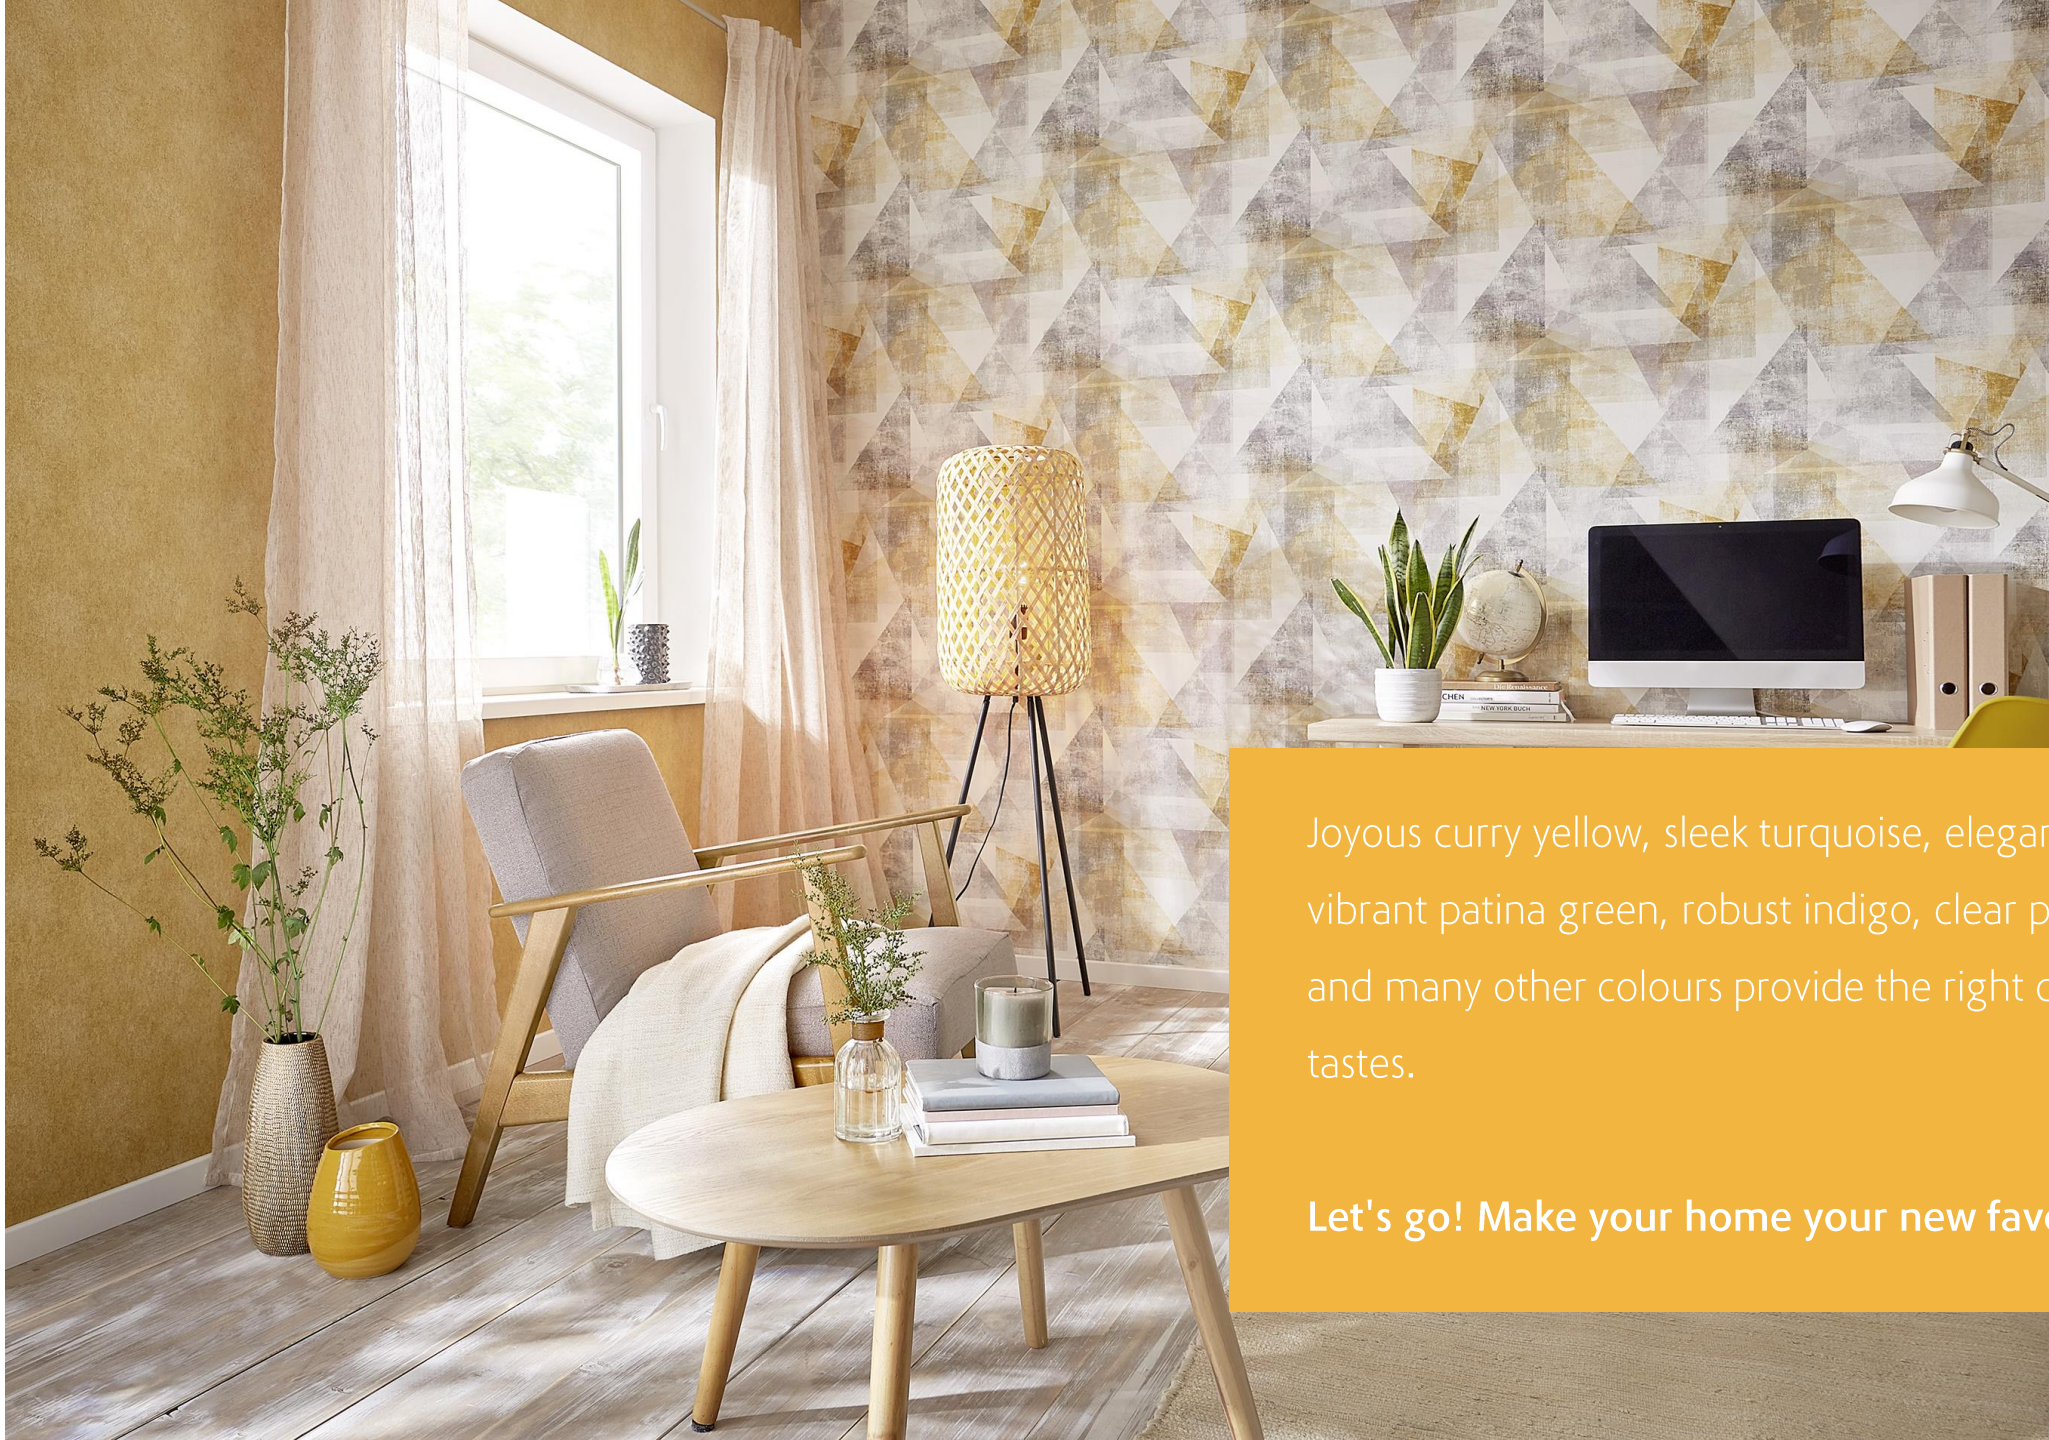

We all love an excuse to simply stay at home. And one really good reason is walls adorned with the Linares collection - an eyecatcher for everyone. Relaxed, playful linear shapes and graphics are combined with a subtle lustre and a restrained patina.

A floral leaf pattern exudes fresh vitality and adds a natural touch. The non-woven wallcoverings feature a lightly abraded finish which accentuates both matt textures and shimmering accents. The colours simply create a happy mood and entice the eyes to enjoy the view, whether patterned wallcoverings or mix-and-match solid colours.

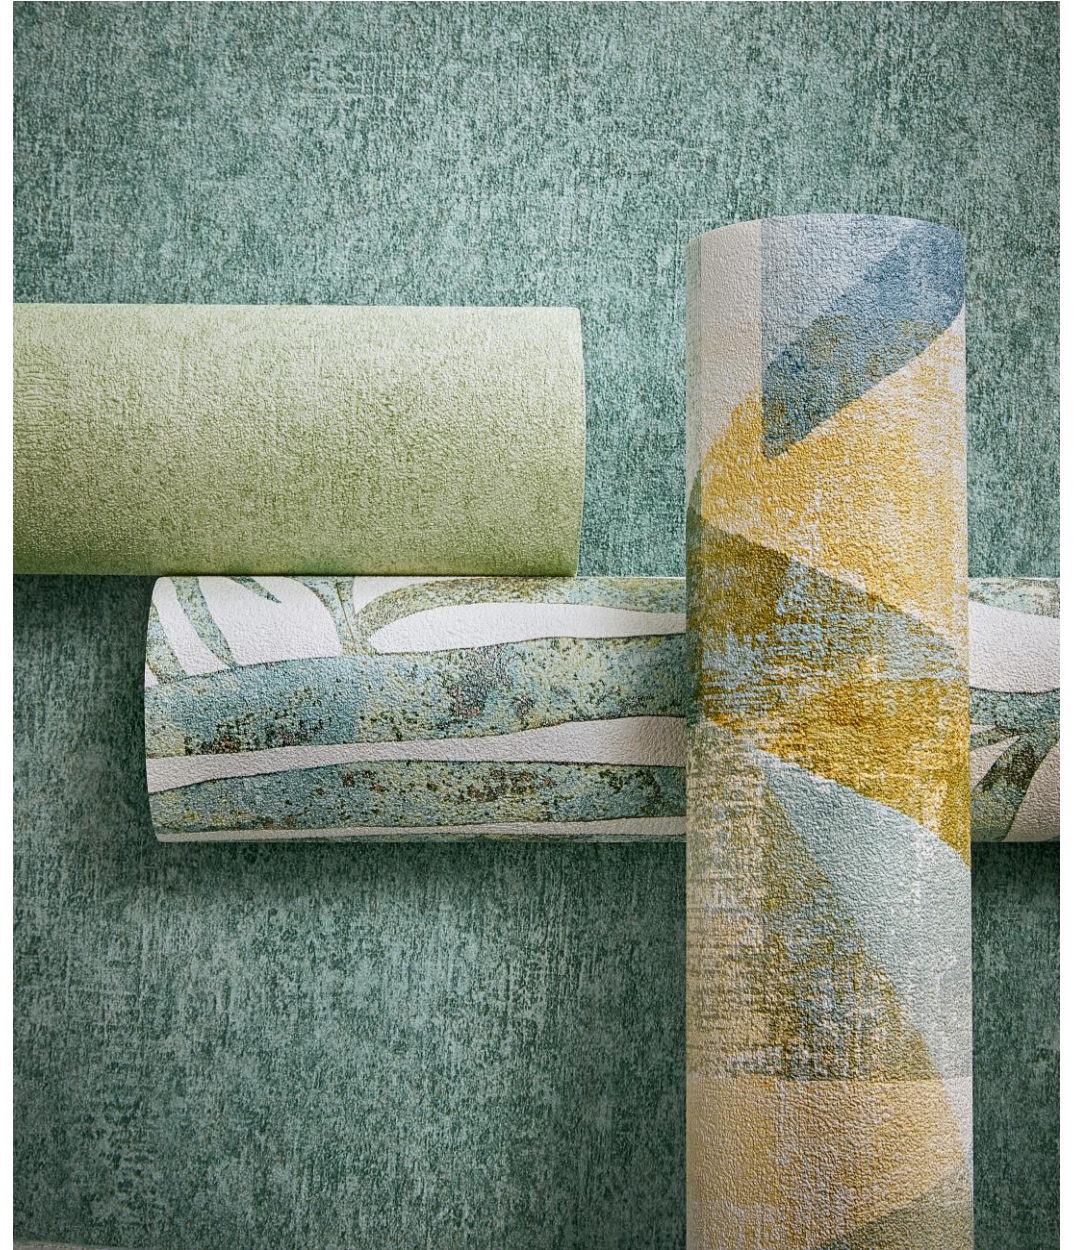

Joyous curry yellow, sleek turquoise, elegant slate grey, vibrant patina green, robust indigo, clear pearlescent white and many other colours provide the right choice for all tastes.

Let's go! Make your home your new favourite old place.
