highly respected

Our new 'Florentine III' collection follows in the footsteps of both predecessor collections. Glance at the gorgeous range of digital prints and **non-woven wallcoverings** with a **woven linen look** and it becomes clear that the name Florentine, meaning 'the highly respected', is highly appropriate.

botany

The focus is on patterned wallcoverings and **botany** design prints in a wide variety of types and colourways. Tall **bamboo**, oversized **peonies**, tropical **palm trees**, colourful **banana leaves**, misty **rain forests** and imaginative **leaf creations** invite the eye on a journey of discovery.

stripes

In addition, the striped patterns feature greater texture. Classic **block-colour stripes** and a unique stripe interpretation with exciting colour gradients create impressive effects on any wall.

colour spectrum

The perfect addition is a wide selection of harmonious **solid-colour** wallcoverings in a wide range of colours. Speaking of colours, there's everything from **off-white** and **powder**, **dusty rose** and **mint green**, **ochre yellow** and **turquoise**, to **ink blue** and **anthracite**. And this special colour palette works well in conjunction with wallcoverings with a little **shimmer of gold**, **silver** or **copper**.
