Variety

Variety, zest for life, a wealth of ideas and a cornucopia of colour – all of these can be found in the Salsa collection. A collection that draws from the full spectrum and brings the **entire colour palette** into play.

Flora

A wide range of patterned wallcoverings impress and inspire with **motifs from nature** such as flowers, leaves and trees – whether pencil-drawn, abstract, sketched, imaginative or as a detailed drawing.

Graphic

Processed wood is depicted artistically with **three-dimensional effects**. **Geometric shapes** bring a unique, exciting and sometimes retro feel to any room.
