HIDDEN IVY

Available in four beautiful colour combinations, each creating a different mood for your room, our Hidden Ivy wallpaper was inspired by the luxurious Art Deco style. Unconventional in its design, lush fern-like leaves take centre stage as spring ivy and delicate flowers peek from behind to create a playful yet calming style. Original pattern from 1953.

VELVET LEAVES

Available in five captivating colour combinations, our Velvet Leaves wallpaper with a collagraph print design features a bold and luscious pattern of exotic leaves in fan-shaped arrangements. Choose a dark background for a rich and dramatic expression or a light palette to create a calm and fresh sanctuary.

TREASURED THISTLE

Taking its inspiration from a tapestry from the 16th century which now forms part of the renowned Burrell Collection in Glasgow, our Treasured Thistle wallpaper is breathtakingly elegant. Available in three divine colour combinations, the design is hand-painted and printed using the collagraph technique.

SAPPHIRE BIRDS

Quirky and stylish, our Sapphire Birds wallpaper features a charming pattern of graceful birds standing to attention among luxurious sapphires and lush foliage on a classic patterned background. With an elegant colour scheme and playful design, it creates a radiant expression for your walls.

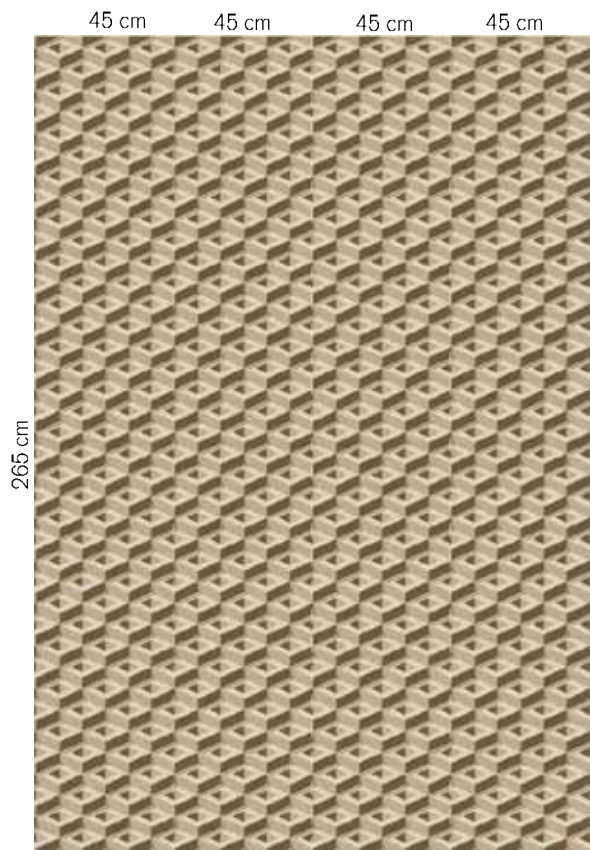

2279 – Sapphire Birds

BOXES

Available in two beautiful palettes, our Box wallpaper features a geometric pattern of rectangular boxes that trick the eyes and give walls a three-dimensional look. With its simple yet effective design, full of Scandinavian charm, it creates a fresh and calm space to welcome guests.

2280 - Boxes 180 cm

2280-2281 - Boxes

Width: 180 cm
Height: 265 cm
Number of panels: 4

STAIRCASE

Our Staircase wallpaper features a gem of a design, originally drawn in the 1950s by Danish architect Bent Karlby. The streamlined spiral staircase pattern appears at first glance to be organic waves that form a medallion shape. Available in three retro and sophisticated colour palettes.

TRAVERTINE

Available in five beautiful colour variations, our Travertine wallpaper is inspired by the luxurious and opulent marble stone it takes its name from. A true classic in its own right, it also partners perfectly with more dramatic designs in our Treasured collection.
